ROLE AT CAMP

Cabin Counselor

FAVORITE CAMP ACTIVITY

Cabin Night

What is your favorite memory as a Roundup River Ranch volunteer?

We had the oldest girls' cabin ask the youngest boys' cabin and the oldest boys' cabin ask the youngest girls' cabin to the ball. Everyone was in their stretch zone and it was wonderful!

Why would you encourage others to volunteer at camp?

I always know a week/weekend at camp is going to be fun, stimulating, inspiring, and exhausting. However, I always underestimate how strongly you can feel all of these emotions at once. It's so easy to go through life thinking the little things don't always matter, but being at Roundup often reminds me that they matter the most.

How has your Roundup River Ranch volunteer experience impacted your life?

I moved out to Colorado to work at Roundup, fell in love with the Rockies, applied to school and never left. I owe a lot of what I'm doing now to this amazing organization.

What motivates you to volunteer at Roundup River Ranch?

The creativity amongst campers and fellow volunteers at Roundup is contagious, and inspires some of my best ideas. You really do get out of camp what you put into it.
