

Roundup River Ranch offers old-fashioned, pure fun camp experiences for children with serious illnesses and their families. Here, campers and their families discover the healing power of love, laughter, and friendship. Each of our summer sessions help campers realize they are not alone as they meet new friends who share their journey. Campers find the courage to try new activities and build their confidence. Best of all, no camper or their family ever pays a penny.

2020 SUMMER CAMP SCHEDULE

Summer Camp 1
June 10 - June 15

Moderate to Severe Asthma, Lung Disease

Summer Camp 2
June 19 - June 24

Neurologic, Craniofacial, or Dermatologic Disorders

Epilepsy and epidermolysis bullosa as a primary diagnosis are served during Family Camp only. Currently we are unable to serve autism, down syndrome, TBI, or FAS as a primary diagnosis.

Summer Camp 3
June 28 - July 3

Congenital or Acquired Heart Disease, Heart Transplant

For children diagnosed with congenital or acquired heart disease or those who have received a heart transplant.

Summer Camp 4
July 8 - July 13

Cancer, Brain Tumors, Sickle Cell Disease, Acquired Immunodeficiency, Bone Marrow Transplant, Blood Disorders

Children with sickle cell disease must live at an elevation of 5000 ft. or higher and be referred by their hematologist prior to applying to ensure their safety at camp's elevation.

Summer Camp 5
July 17 - July 22

Gastrointestinal Disorders, Liver Disease, Liver Transplant, Celiac, EoE

For children diagnosed with liver disease, gastrointestinal disorders or those who have received a liver transplant.

Summer Camp 6
July 26 - July 31

Kidney Disease, Kidney Transplant, and their siblings

For children diagnosed with kidney disease and their siblings or children who have had a kidney transplant and their siblings. Hemodialysis is served during Family Camp only.

October 23 - October 25

Epilepsy, Neurologic Disorders, Life-altering Dermatologic Disorders, Craniofacial Anomalies

In addition to all required vaccines as highlighted on our medical forms, all campers (Family Camp and Summer Camp) must have the current flu vaccine unless they have a medical contradiction to the vaccine. We do not accept religious or personal reasons to not have the most current vaccine due to the risks these infections can pose to other campers.

Acceptance timelines can be found online at
