Dear Camp Family,

Camp creates connections. There is amazing strength and power in being a part of a tribe and knowing that someone else truly understands your journey. The light that connections bring to our lives never dims, and as we send you virtual hugs and high fives, our mission is to remind you that we are always connected through camp! As we tell campers during Closing Ceremony, no matter where you are when you leave camp, remember we are all looking at the same beautiful night sky!

From my home to yours,

Sterling Nell Leija
Executive Camp Director
Every day at Roundup River Ranch is the best day ever! To kick off the day, our campers gather first thing in the morning! We sing songs, dance, tell jokes, and recite fun quotes. Click on each section below to start off your Best Day Ever. Don’t forget – you can’t camp sing or dance wrong!

**Pick-It!**

**Fort Building**

Pick-It! is an activity that changes week from week. These activities mirror the talents, interests, and passions that our staff and volunteers want to share with campers!

Book club, scavenger hunt, drum circle, poetry slam? Yes, please!

Whether building by yourself or with others a finished fort is something you can look at with pride. The great thing about fort building is it doesn’t require many supplies.

Please send us a picture of your finished forts! (An adult should supervise this activity)

**By the Way**

CAMP ACTIVITIES

Equestrian

Are you ready to play Horseshoes?
This is a fun game you can make out of everyday items and you can play by yourself or with people around you. Horseshoes is a game where you toss horseshoes at a standing target in order to score points. You’ll set up a target, and we’ll teach you how to make your own horseshoes and keep score!

Discovery

This week, we’re making paper airplanes as part of the Best Week Ever! We’re doing this for two reasons – our theme this year is “Here We Go” which has a paper airplane in it, and because we found some great resources from our friends at NASA.

Candle Chat is a reflective activity that happens at the end of each day. This activity provides a space for campers to share their thoughts and feelings while being heard and valued. Candle Chat promotes bonding between members of a cabin and provides opportunities to reflect on individual and group accomplishments. The first few nights of Candle Chat usually have questions that are more funny, with the questions getting more thoughtful and reflective as the session goes on. We want to give you the opportunity to have a Candle Chat with the cabin group you are with right now... your family!

**IF YOU COULD CHOOSE ONE SUPERPOWER, WHAT WOULD IT BE AND HOW WOULD YOU USE IT FOR GOOD?**

We want to hear your answers! [Click here to submit your answer](#), we'll be sharing a few of our favorites in next week’s newsletter!

**COMMUNITY CONNECTIONS**

Camp is a great place to foster connection and community. While we are all spending more time at home, we know that you can start conversations, make connections, and build community right where you are! Here are a few conversation starters and small group activities you can use with your family and friends around you. Roundup River Ranch uses curriculum from Sanford Harmony to support our Community Connections social and emotional resources. Sanford Harmony is a social-emotional learning program designed to foster communication, connection, and develop kids into compassionate and caring adults.

1. What is something funny you’ve experienced this week? What is something you want to do to make somebody laugh?
2. What would you rather be, a kid or adult? Why?
3. What is your favorite meal? Who makes it and who do you usually eat it with? If you could eat it with anyone, who would it be?
