a seriousfun camp

Roundup River Ranch offers old-fashioned, pure fun camp experiences for children with serious illnesses and their families. Each year, we rely on hundreds of volunteers to make these extraordinary experiences possible for campers and ensure no family ever pays a penny.

**Sound like something you want to help make happen?
You're just the kind of go-getter we need.**

Never underestimate the healing power of the pure joy of childhood.

Roundup River Ranch enriches the lives of children with serious illnesses and their families by offering free, medically-supported camp programs that provide unforgettable opportunities to discover joy, friendship, and confidence.

At our beautiful camp in Gypsum, Colorado and through year-round activities, Roundup River Ranch offers children with serious illnesses the chance to forget about being "a patient" and get back to the fun of simply being a kid. Our dedicated team provides full medical, physical, and emotional support to every camper. Medical and non-medical volunteer positions are available to support all aspects of the camp experience.

One the most fantastic things about us is that no camper or their family ever pays a penny.

That means we run on a lot of generous, big-hearted volunteer power. And that's where you come in!

We don't know who has more extraordinary, life-changing experiences: our campers or our volunteers.

It takes a lot of willing hands to keep up with so many deserving campers and their families. Each year, we rely on the support of a diverse group of volunteers at camp and in our administrative offices. So, no matter what your knowledge, experience, or skill, there's a way for you to join in the fun.

Opportunities to join the volunteer team include:

- Medical Team: MD, DO, PA, NP, RN, Paramedic, EMT, RT, PT, and Pharmacists
- Cabin Leader
- Kitchen Assistant
- Photographer
- Residential Life Assistant *(Summer Camp only)*
- Medical Desk Attendant *(Summer Camp only)*
- Program Leader *(Family Camp only)*

"Volunteering at Roundup River Ranch has changed my life in ways I can't even explain. Come in with an open heart and mind and you will have an amazing experience!"

- Molly, Medical Volunteer

Each year, we rely on over 1,200 volunteers to provide kids with serious illnesses and their families life-changing moments at camp. Simply put, without your generous donation of time, we really, truly (pinkie-swear) couldn't do it without you.

Check your calendar. Let's get you signed up.

We have a number of volunteer opportunities for individuals and groups. Volunteers of all ages are needed to support camp with camp turnover projects, service projects, and administrative functions.
