## Kid-centric

## LETTER FROM OUR CHAIRMAN

Dear Friends,

It is with great pleasure that I introduce myself as the new Chairman of the Roundup River Ranch Board of Directors. Since joining the board in 2006, I have been committed to camp; from the sound of the laughter that fills the air to the challenges that every camper assumes and the special friendships formed, Roundup River Ranch and the children and families we serve have become one of my passions. I look forward to partnering with you and, along with my fellow board of directors, it is my honor to lead us into the next chapter of our camp history.

I would be remiss if I did not acknowledge and thank Alison Knapp, our intrepid and visionary camp Founder and founding board chairwoman. Alison's support, enthusiasm, and commitment inspired all of us to dream bigger for our campers. The Board of Directors and I look forward to continuing the legacy established by Alison and other members of the founding board.

We have much to look forward to in this upcoming year, including an expanded number of camp sessions, an increased number of children served each session, an added spring retreat during which we will host the students who attend the Kunsberg School, and much more. We will continue to enrich and empower the lives of hundreds of children and families from our extended Rocky Mountain region this camp season. We will also ensure that each child receives the medical support they need while enjoying a magical time at camp, and that campers experience the impact of Roundup River Ranch long after their time at camp has ended.

I invite you to read our 2011 Annual Report and celebrate what you have helped us achieve. As we look forward, I challenge each of us to strive to learn from our campers and do our part to make a difference in their lives and in the lives of their families.

On behalf of the board of directors and staff of Roundup River Ranch, I offer my gratitude to you for the support you have given us – enabling us to attain daunting goals – and I look forward to sharing many successes with each of you in the years ahead.

With appreciation,

A handwritten signature in black ink, appearing to read 'Craig Foley'.

**Craig Foley**, Chairman, Roundup River Ranch Board of Directors

## LETTER FROM OUR CHIEF EXECUTIVE OFFICER

Dear Friends,

For the past five years, I have had the privilege of serving as the chief executive officer of Roundup River Ranch. From the early formations of our founding board and the Campaign for Laughter to the construction of the beautiful place that inspires the lives of many, I witnessed camp coming to life. Unique milestones and achievements marked each year, but 2011 was the year that our camp dreams fully came true. Roundup River Ranch welcomed our first campers in July, and we successfully completed our first summer and fall of operations. None of this would have been possible without you.

You are the reason that, in the words of our campers, they were able to enjoy the “best week of their lives.” Your support ensured that we felt the warmth of our campers’ smiles as they shared stories with friends, that cheers and applause could be heard throughout camp on Stage Night, that laughter and achievement never stopped, and that campers received the medical care they needed to connect with new friends with similar life journeys, empowering them to soar in all aspects of their lives.

This year was monumental, but this is only the beginning of the empowering camp programs that, thanks to you, will continue for years to come. On behalf of our staff and the campers whose lives are enriched because of your support, we thank you for being a special part of our Roundup River Ranch family.

In appreciation,

A handwritten signature in black ink that reads "Ruth".

## LETTER FROM OUR FOUNDER

Dear Supporters and Friends,

On July 6, I experienced what I had been waiting for since founding Roundup River Ranch: welcoming our first campers to camp for a week of freedom, fun, and new experiences, completely free of charge for the campers and their families. During four one-week camp sessions, we served 160 campers, and another 81 participants joined us for two sessions of our Fall Family Program. More than 200 volunteers and staff members had their lives touched by the power of camp, too.

Your generous support of Roundup River Ranch made all of this – and much more – possible. You and the rest of our community embraced our campers and our mission since 2006, but this was the year that the power of your support was ultimately realized. And, this is only the beginning of the impact that Roundup River Ranch will have on the lives of children with chronic and life-threatening illnesses as we expand our programs and outreach in the coming years.

The past five years have been a tremendous journey, and as I have marked the end of my tenure as board chairwoman, it is with great excitement that we look forward to the future of Roundup River Ranch under the direction of Craig Foley. A founding board member and friend of Roundup River Ranch since the beginning, his support and leadership have proved invaluable. I maintain the utmost confidence in Craig, the board of directors, and the Roundup River Ranch team in ensuring that the future of this organization will be great. Goals will be achieved, we will grow, and the lives of thousands of children and their families will be enriched.

You made camp possible, and I offer my utmost thanks and appreciation for your support. You have made dreams come true.

With gratitude,

A handwritten signature in dark ink, appearing to read 'Alison'.

Roundup River Ranch Board of Directors, 2006–2011

## Volunteers

*Camp is not possible without the support of hundreds of volunteers who generously give their time and talents to Roundup River Ranch. This year we had volunteers who stuffed envelopes and assisted in our office, administered needed medical care to our patients as members of our volunteer medical team, ensured that our events were successful as event volunteers, supported our campers as cabin volunteers, served hundreds of meals as kitchen volunteers, and much more. We offer our heartfelt thanks to everyone who made camp possible.*

*Below is a list of the volunteers who assisted Roundup River Ranch between November 1, 2010 and October 31, 2011. We carefully reviewed the names that are listed. However, if you find an inadvertent mistake or omission, please accept our apologies and call 970.524.5718 so that we may correct our records.*

## Intentional programming

Our philosophy challenges participants by their own choice and supports them through their successes, as well as facilitates reflection and the subsequent self-discovery of the participants in all camp programs. Challenge-by-choice allows campers to control how they participate in our programs. Campers are encouraged to try everything and step out of their comfort zone, but they are not pressured to do anything they choose not to do. Success is always individual and all successes are celebrated at camp! Campers process their challenges and recognize and internalize their successes; the discovery process may not occur until after camp has ended.

## The Association of Hole in the Wall Camps

Growing global network of innovative camps and programs that provide life-changing experiences to children with serious medical conditions – always free of charge. The Association's goal is to extend these experiences to as many children as possible around the world. Roundup River Ranch is proud to be a member of the Association.

## Morning Moose

As the first activity of the camp day before breakfast, Morning Moose lets campers participate in a variety of activities to start their day, or they can sleep in a bit later.

## ROUNDUP RIVER RANCH SONG

By Alex Arnick, Summer 2011

Roundup River Ranch  
We will sing and dance  
And sit by the fireside  
Come along for the ride  
  
Riding on the zipline  
While havin' the time of your life  
Tonight with so many stars in sight

Roundup River Ranch  
We will sing and dance  
And sit by the fireside  
Come along for the ride

The wind blows through the trees  
Calms my mind nature is key  
Reminds me to ride all greed love all  
and live for peace

Roundup River Ranch  
We will sing and dance  
And sit by the fireside  
Come along for the ride

Be kind we are all one  
My mind seems to be on the run  
Runnin' from the fun everyone  
Roundup River Ranch has begun

Roundup River Ranch  
We will sing and dance  
And sit by the fireside  
Come along for the ride

### Family Program

Our Weekend Program  
hosted in the fall and  
spring offers children  
with chronic and life-  
threatening illnesses and  
their immediate families  
an unforgettable camp  
experience modeled  
after our Summer Camp  
Program. We welcome  
family members for a  
weekend of laughter,  
respite, family connections,  
and camp fun – completely  
free of charge to all  
participants.

Roundup River Ranch is a full member of the Association of Hole in the Wall Camps, the world's largest family of medical specialty camps for children with serious illnesses founded by Paul Newman. Viewed as the standard for camps for children with serious illnesses, Hole in the Wall Camps provide opportunities for children to build independence, gain self-confidence, and enhance coping and resilience through participation in positive recreational experiences with appropriate medical support. Utilizing the established programming philosophy, Roundup River Ranch is proud to continue the legacy established by Paul Newman and the other Hole in the Wall Camps.
