

A delicious tidbit of camp in the
mountains - served up in the city

SPONSORSHIPS

Thursday, May 16

The Cable Center, Denver | 6 PM

**Please join us as Roundup River Ranch brings A Taste of Camp to the city!
This special evening takes place on Thursday, May 16, 2024 in Denver.**

We hope you will support us in our mission to enrich the lives of children with serious illnesses and their families by offering free, medically-supported camp programs that provide unforgettable opportunities to discover joy, friendships, and confidence.

A Taste of Camp is a cheerful evening that brings awareness to Paul Newman's vision and our mission of bringing the joys and friendship of childhood to children living with chronic and life-threatening medical conditions. Our Denver community is at the forefront of our mission. The majority of our campers live on the Front Range and work with doctors, nurses, and specialists from Denver institutions.

We look forward to celebrating the support of the Denver community and ensure that no child or family ever pays a penny to attend a Roundup River Ranch program.

Superhero Award Recipient - Keith Weisz, MD

The Superhero Award is awarded to supporters who have made a lasting, heroic difference at camp.
