

A YEAR WITH
**SO MANY REASONS TO
CELEBRATE.**

2021 Impact Report

At Roundup River Ranch, we have a **Celebrate U** jar to celebrate the adventures of camp. Anyone can grab a bead at any time from a small jar and place it in the larger jar to symbolize a personal celebration or something a friend or cabinmate has done. And this year, we realized we should all be grabbing beads and filling the jar to overflowing to celebrate not only every one of our campers, but the amazing accomplishments your generosity has made possible. (That's right, we're celebrating U!)

We're celebrating how you gave us the support to help our programs evolve and become even more intentional. You helped us deliver camp everywhere, realizing our happy place didn't have to just be when we gathered in person. Thanks to you, we've found new ways for campers, families, donors, and volunteers to connect year-round. And, we're celebrating that the innovation and determination of last year is leading us into an exciting new year where many will gather at camp in the mountains again. Whoo-hoo! What great reasons to celebrate.

In 2021, you gave us so many reasons to celebrate all things camp.

Dear Friends and Supporters,

Thanks to you, we were able to make a difference in the lives of more children with serious illnesses and their families than ever before! We expanded our Outreach Programs to provide 52 amazing programs, always free of charge. We connected with campers and families online with week-long Summer Camps and weekend Family Camps, Day Camps, and Camper Reunions. We sent nearly 3,000 boxes of fun to campers with our Joy, Delivered program. And, this past fall, we were thrilled to offer in-person Camper Reunions again in the Denver area, connecting hundreds of campers and their families.

More than ever, we have been reminded of the importance of camp in the lives of children with serious illnesses and how happy it makes us to celebrate their many achievements. From constructing a Mars Landers Zipline during Summer Camp online, learning a new song or dance, or the fun of inside a Joy, Delivered box, every success is worth celebrating. All year we continued our "Celebrate U" jar camp tradition and supported each other.

We reflect how far we've come since our inception in 2006, from welcoming our first 241 campers in 2011, to providing 5,774 camper experiences in 2021. At every step, we are so grateful for you, our most supportive donors. Without your generosity, none of these accomplishments would have been possible. And for this, we celebrate YOU!

We are grateful for the strong foundation that has been built over the last 16 years for us to grow upon. As we welcome back campers this summer and celebrate being together in-person for Summer Camp again, we are eternally grateful for all of our donors, volunteers, staff, campers, and families who make these celebratory moments possible. Because of you, our future is brighter than ever.

With sincere appreciation,

LILLY'S GARDEN

As soon as you meet Lilly, you know a friendship is going to blossom. She's an incredibly special 17-year-old who loves to read to younger kids at her school and, of course, she loves CAMP! Lilly was in 2nd grade when she found out that she had chronic kidney disease and would probably need dialysis and, eventually, a transplant. During her hospital visits, a member of her care team introduced Lilly and her family to Roundup River Ranch. Lilly attended her first Summer Camp in 2014, and she continues to come back to camp year after year. Camp provides Lilly an opportunity to meet other kids with a similar illness, become more independent, and celebrate all things that make her unique.

When Lilly was in 6th grade, she received a kidney transplant from her dad, Bryan. Lilly persevered after her transplant and was able to return to camp the following year. These past couple years, she has stayed engaged with Camp Online and appreciates that her brother can also join in on all the camp fun online. Being able to share her love for camp with her family means so much to Lilly.

This year, Lilly chose to give back to camp in a big, blooming way. Lilly donated her Make-A-Wish® wish to Roundup River Ranch to help contribute and support a Sound Garden program area for campers! This summer, campers will be able to enjoy Phase 1 of Lilly's Sound Garden. Four musical flowers will be planted in honor of Lilly. Each flower is made up of four petals which each make a different tone when struck by a mallet. This little garden will boast a beautiful array of notes! Additionally, campers will enjoy color coded chimes and a songbook to create their own masterpieces or be guided to play a well-known tune.

“Roundup River Ranch staff has helped me improve my confidence in practically every aspect of life. At camp, I’ve made so many wonderful friends with similar stories and that has helped me feel like I am not alone in my struggles. Camp has helped me get through hard times and come out stronger.”

– Lilly, Camper

A
CELEBRATION
THAT KEEPS
GROWING.

During the next phase of the Sound Garden, camp staff will continue to work with industry professionals to design a master plan that includes shade, additional musical play equipment, seating, and landscaping that will bring outdoor music to campers for years to come.

You made the positive impact of camp possible for Lilly. And now, she's making a very big, very positive impact on the future for Roundup River Ranch campers.

It is an exciting time to share the news of this new program area. We kicked off fundraising in 2021 and want to thank Dan and Mary Pat Armistead and Go Play, Inc. for their initial gifts that allow us to bring Phase 1 of this project to campers in summer 2022.

If you are interested in helping Lilly's Garden grow, please contact Cathy Ethington, Director of Development at cathy@roundupriverranch.org.

This new program space will provide a wonderful way for campers to explore music, develop fine and gross motor skills, engage in cognitive and sensory development, work as a team, and so much more!

2021 CAMP SEASON BY THE NUMBERS

So many reasons to jump for joy, be a little loud, and celebrate with appreciation! This year you helped us deliver 52 programs that provided over 5,700 camper experiences. That means we provided more life-changing, friendship-sharing impactful moments for kids with serious illnesses and their families than ever before. In 2021, we confirmed that the pure joy of camp transcends the physical place of camp. It's what happens when we connect with each other, bring campers together, support and encourage families, and celebrate shared journeys. It lives in the hearts of our campers and their families and can be rekindled in all kinds of camp-tastic ways wherever campers are.

INTENTIONAL PROGRAMMING MEANS ALL KINDS OF REASONS TO CELEBRATE.

Camp makes a lasting difference for children with serious illnesses through creative, outcomes-based programs. Our intentional programming philosophy means campers choose what they want to tackle, try new things, and celebrate their accomplishments with all of camp. We give campers “challenge by choice” — opportunities to make individual choices, set personal goals, and discover the exhilaration of successes. Our best practices in programming promote healthy development and well-being and build confidence, connections, self-esteem, independence, self-acceptance, and more.

1,354 CAMP ONLINE EXPERIENCES

Camp Online is an interactive, movement-based, engaging camp experience that combines everything we love about traditional camp in an online format. It includes fun activities, positive role models, and campers meeting other kids on similar life journeys. From Summer Camp online (5 days of fun!) to Family Camps online, Camper Reunions, and Camp Clubs for campers and siblings, coming together can happen anywhere.

588 IN-PERSON CAMPER EXPERIENCES

Our reunions reconnect campers and their families through a diverse array of fun camp experiences around the greater Denver area or via Camp Online. Reunions relieve loneliness and provide nurturing environments to strengthen each camper's resilience through socialization.

2,995 JOYFUL EXPERIENCES

This out-of-the-box camp experience supports and engages campers with screen-free activities that inspire creativity, compassion, resilience, teamwork, and fun. The magic and joy of camp is delivered right to campers' doorsteps with all the supplies and instructions needed to do activities individually or collaboratively.

577 CAMP IN YOUR COMMUNITY EXPERIENCES

This is a community partnership program that brings camp activity boxes and other resources to families through like-minded organizations such as Brent's Place, Morgridge Academy, HopeKids, and Ronald McDonald House. It is offered to families who may or may not traditionally qualify for Roundup River Ranch's onsite and online camp programs.

OUR VOLUNTEERS CELEBRATE OUR CAMPERS, AND WE CELEBRATE OUR VOLUNTEERS. DOUBLE LOVE.

CELEBRATING 6 YEARS WITH LAUREN

Lauren Grochocki has volunteered for Roundup river ranch for six years, including more camp sessions in 2020 and 2021 than any other volunteer. She says camp is one of her favorite things in the world and we couldn't be more thankful to have her.

Lauren lives in Houston and has volunteered online the past two years.

"I get so much out of camp," she said.

"It resets me and keeps me connected."

Just like our campers, Lauren uses the words "magic, joy, and laughter" to describe her experiences with camp. *"The first year I had a fearful camper who was terrified about the climbing tower and was only comfortable watching her cabinmates climb," she remembers. "But, by the next year she was so excited to tell me that she mastered the wall climb, and her third year she also rode the zipline and loved it."* That *"Yes! You can!"* feeling is what Lauren appreciates most about working with campers.

Lauren says she knows volunteers who are well past their 60s, so she is planning on continuing to enjoy magical camp experiences for decades to come.

"Camp is one of my favorite things in the whole world."

– Lauren Grochocki, Volunteer

CELEBRATING THE STUDENTS OF EAGLE COUNTY CHARTER ACADEMY

In 2021, 107 student volunteers from Eagle County Charter Academy (ECCA), grades 5th-8th, shared their generosity with Roundup River Ranch. Led by their teachers, the students helped prep Outreach Program camp kits for Camp Online, prepared wood cookie name tags, and strung beads.

"Camp is wholesome and a place where real fun happens," said Mackenzie, 8th grader. *"I keep coming back because it feels good to help in the community."*

This was their third year volunteering and the students say they are inspired by the opportunity to help kids that have health issues. The students are connected to the service and incredibly engaged in the work, and their teachers say this reminds all of them how service to others can have a lasting and rewarding impact. ECCA students say that Roundup River Ranch is inspiring, powerful, and happy! We thank them from the bottom of our hearts.

"The kids are learning, growing, making friends, encouraging each other, showcasing their talents, and sharing, all while having a blast singing, dancing, playing games, creating, being silly, and expressing themselves!"

CELEBRATING THE AMAZING FEELING OF GIVING BACK.

A SPECIAL CAMPER REUNION THAT TURNED CAMPERS INTO LIFE-CHANGERS.

Camper Reunions help maintain the positive benefits our campers get from Roundup River Ranch's camp programs and sessions and, as always, gives them another way to embrace joy!

The last two years, our campers proved that a feel-good reunion can take place even when we aren't together. Our virtual Camper Reunion featured an interactive game show where campers competed to win donations of toys, games, and food for nonprofit partners that support children and families in Eagle County and Denver. Our amazing campers made a big difference for the Eagle Valley Community Foundation and Project Helping in Denver. During the holidays, campers also contributed boxes of Newman's Own products and hundreds of Hasbro toys.

Often, our campers are on the receiving end of philanthropy, and this program empowered them to realize they have gifts to share and let them experience the reward of making a difference in someone else's life.

Looking forward, 2022 is a year full of new possibilities and opportunities. We are expanding our campers "giving back" programs and introducing, GIVE JOY!, a program that focuses on campers learning philanthropy through our intentional programming philosophy.

Alpine Bank has generously sponsored the December Season of Giving Camper Reunions for the past two years. We thank them for helping us pioneer these programs and look forward to seeing where the future will lead in these acts of kindness and generosity.

WE'RE CELEBRATING THE LOVE, FUN, AND LAUGHTER OF FAMILIES.

It's not just kids who find themselves laughing out loud at camp antics. Thanks to Family Camp, we get moms, dads, and siblings of all ages in on the fun. Like the five members of the Green family.

The Green's joined us for the first time in 2021. Alexandra is 11 years old and has acute lymphoblastic leukemia – a type of cancer found in children that affects the blood and bone marrow tissue. She is currently in treatment and has an extremely compromised immune system, so she and her family have to be extra cautious when going out in public. ***"Alexandra is not able to go many places she used to because of germs – especially COVID-19. She hasn't been able to see friends outside of school for quite some time,"*** shared her dad, Zacharey.

Jennifer, Alexandra's mom, said Roundup River Ranch's online programs have given Alexandra the opportunity to meet kids her own age going through a similar journey, and develop friendships and connections – during a time when it is difficult to do so in-person. Alexandra and her sister joined us online for Discovery Club and Craft Extravaganza Club this past spring. The girls spent multiple evenings connecting with other campers and bonding while working on fun crafts and activities.

"Family Camp brought us back mentally to a time before our daughter's diagnosis, where we could laugh, work as a team, and have a silly time together. During Family Camp online, there was not a thought in our minds about illness, doctor's visits or hospital stays," Jennifer said.

In addition to Camp Clubs, the entire Green family participated in their first Family Camp online session of the year. The weekend was full of interactive and engaging activities with other families going through a similar life journey. Our Family Camp online program has been revamped to include even more intentional moments for our families to experience the pure joy of camp and to spend meaningful time together to reconnect as a family.

"If camp wasn't free, we would not be able to have this amazing experience. Thank you for providing us with the opportunity to create meaningful and lasting memories for our family."

– Jennifer, Camper Mom

OUR EVENTS TOOK CELEBRATING TO A WHOLE NEW LEVEL OF FUN.

In 2021, we hosted our signature events both in-person and virtually (twice the fun!). Plus, we added unique peer-to-peer online fundraising campaigns. Thanks to the volunteers, sponsors, partners, and attendees who made all of this possible.

A TASTE OF CAMP

On June 23rd, we gathered in Denver at The Clayton and the Denver Country Club as well as livestreaming the event virtually, connecting supporters from anywhere. While guests dined on amazing cuisine at our Denver locations, our camper families and medical volunteers shared stories of how Roundup River Ranch provided connection and community during the pandemic.

A GRATEFUL HARVEST

On August 14th, we gathered inside Trent's Cookhouse at our campsite and at Beaver Creek's Splendido restaurant, as well as a virtual livestream event. Chefs Riley Romanin and Brian Ackerman created exquisite dishes paired with fine wines throughout the evening. We honored Kathy Cole and had the fun of sharing a surprise flash mob dance video to celebrate the joy of coming together through dance honoring our campers and families.

Online Fundraisers

SUPERHEROES ARE EVERYWHERE

In April, 247 fundraisers and supporters joined us online to raise money to honor campers who have superpowers like courage, strength, and hope. For this inaugural campaign, our top fundraising team was lead by Ross Robbins. Over the years, Ross and Ann and their "Driving for Kids" teams have raised nearly \$350,000 for our campers. Ross took his passion for Roundup River Ranch on an epic road trip, traveling over 11,000 miles during this campaign. He secured contributions for every mile and introduced many new people to our mission raising \$22,924!

Raised: \$70,256

36.5% of donations came from new donors.

S'MORE CAMP CHALLENGE

In September, 128 generous supporters joined us online to raise money for our impactful Roundup River Ranch programming. Abercrombie and Fitch generously offered a matching gift of \$21,000 and our community met their match! S'more funds mean s'more campers can experience the pure joy of camp.

Raised: \$49,020

36% of donations came from new donors.

CAMPER ELLA, ALONG WITH HER SUPPORTIVE SISTER IRIS, RAISED OVER \$1,000 BY ENGAGING VISITORS AT DENVER'S STANLEY MARKETPLACE.

2021 FINANCIALS

Financial information from November 1, 2020, through October 31, 2021, is based on FY2021 audit.

Total Revenue: \$5,005,554

Total Expenses: * \$5,064,555

* Annual fixed asset depreciation (\$703,265) is included in the expense chart. When comparing cash expenses with revenues, excluding annual asset depreciation, Roundup River Ranch maintains a balanced cash budget. In-kind expenses are allocated within their corresponding department in each of the expense categories.

** Please note that the Board of Directors invested in Roundup River Ranch's future by retaining an outside consulting firm to advise on growth and future strategic direction. These expenses are included within the Fundraising and Marketing expenditures and will not be annual ongoing expenses. These consulting fees and additional growth related expenses account for approximately 18% of the Fundraising and Marketing expenses.

Roundup River Ranch's auditors certified that our FY2021 audited financials comply with the Philanthropy Advisory Service of the Council of Better Business Bureau's and American Institute of Philanthropy's standards and that our expense allocations are consistent with best practices in nonprofit management and fundraising. In addition to reviewing financials, organizational transparency, governance, leadership, and program results are important indicators of excellence in nonprofit performance. FY2021 overhead costs include important investments in training, planning, evaluation, and fundraising so we can continue to operate our programs at a high level of excellence.

A CELEBRATION OF GENEROSITY.

AMY AND JAY REGAN, HARBOURTON FOUNDATION

Amy and Jay Regan founded the Harbourton Foundation to support holistic solutions that focus on the well-being and resilience of young people, helping them to live full and productive lives. Their generosity has been a driving force for Roundup River Ranch since the very beginning. ***"Anytime someone mentions Roundup***

River Ranch, we smile," Amy said. "We know that camp is supporting a child's mental health and well-being. The creativity and quick response Roundup River Ranch provided during the pandemic was a testament to the team there."

The Regans appreciate that Joy, Delivered and Camp Online have given children the space and connection they need at a time of unprecedented isolation and uncertainty. We are so thankful to their foundation as they share our values and commitment to positively impacting the lives of campers and keeping camp free and accessible to so many.

STEVE AND GRACE GAMBLE AND CORDILLERACARES

In 2017, Steve and Grace Gamble came to Roundup River Ranch with the vision of developing an event to benefit camp. Together, with Mike Henritze and his team at The Club at Cordillera, they created "Hike and Dine" events where guests shared the beauty of Cordillera plus wonderful wines and cuisine prepared by the TimberHearth. CordilleraCares is organized by Cordillerans to have fun while supporting charities in the Vail Valley.

Their generosity also brings CordilleraCares and the Cordillera community together to support A Grateful Harvest, our signature event in the Vail Valley. Steve and Grace understand that Roundup River Ranch is about people willing and wanting to volunteer their time, talent, and treasures to bring the healing power of camp to our beloved kids and their families. We are beyond grateful for their generosity and making these events possible.

"I remember going out to see the Roundup River Ranch property before anything was built. This was the time of possibilities, of recognizing potential, of embracing the needs of children with serious illnesses and their families, knowing that camp would be a place to heal, discover new experiences and connect."

– Amy Regan, Donor

2022 WILL BRING EVEN MORE REASONS TO CHEER, SMILE, AND (WHOO-HOO!) CELEBRATE!

You know what is worthy of a huge celebration? The fact that we are welcoming campers back to Summer Camp and Family Retreats this year, as well as bringing the magic of camp to kids all over through a wide variety of year-round Outreach Programs in 2022.

With the return of in-person camp at our campsite, we are dedicated to bringing campers, staff, and volunteers back SAFELY. We are focusing on testing protocols, improvements to The Depot, our medical facility, and more. With your support, construction has begun on renovations to The Depot to create two separate medical care areas; one for routine care and the other for anyone with potentially contagious symptoms. This will include separate waiting rooms, treatment and exam rooms, and separate HVAC for the two sides of the building.

Camp programs and activities will be in small cabin cohorts or pods, which will each have its own private eating area and will travel to activities together. All camp activities will occur outdoors with physical distancing between the pods.

These important changes to camp wouldn't be possible without you, our generous partners, donors, and volunteers. Thank you for your ongoing support as we have navigated these past couple of years and prepare for all the fun of camp to come.

You can read more about our 2022 COVID-19 protocol this summer on our website.

Whether we are together under the stars at camp, giggling and singing online together, or feeling the warm hug of togetherness opening a Joy Delivered box, Camp brings us together in all kinds of remarkable ways. No matter what “together” looks like and no matter where it is, the very act of being there for one another is what creates each camper’s happy place. So, as we head into a fresh new camp year, we are so excited to plan for campers to be together again at camp in our beautiful mountain “happy place.” And, we are equally thrilled to keep bringing even more campers together via Camp Online and Joy, Delivered. That’s why our theme for 2022 at Roundup River Ranch is:

TOGETHER

is our

HAPPY PLACE.

WE’RE HAPPIEST WHEN WE’RE TOGETHER:

Sharing stories only camp friends understand.

Having s'mores around the campfire.

Cheering for each other as we try something new.

Reuniting with BFFs after camp is done.

Slurping spaghetti with no hands – at camp or at home!

Singing camp songs (at camp or online!)

THREE CHEERS FOR THREE CAMP-LOVING COMPANIES.

Rite Aid Healthy Futures offers grant support to SeriousFun Children's Network Member Camps with the emphasis on COVID-19 Response and Diversity, Equity and Inclusion and family camps. Their support helped Roundup River Ranch focus on Outreach Programs including Camp In Your Community, available to families who may not traditionally qualify for our on-site and online camp programs. This program helps us reach more diverse, underserved groups and bring resources to families and children who are experiencing isolation and behavioral health challenges during these uncertain times. We thank Rite Aid for helping us break down geographic barriers and bring camp to more of our community.

Roundup River Ranch is so fortunate to be supported by JVA, Incorporated, a consulting engineering firm with offices in Boulder, Fort Collins, Winter Park, Glenwood Springs, and Denver, Colorado. Since 2007, JVA has been involved in the infrastructure design of developing our Roundup River Ranch campsite. They continue to offer fantastic engineering support in areas such as water and wastewater, civil and structural engineering. We so appreciate this long-term partnership and JVA's shared passion for our mission, and their commitment to providing excellent service to Roundup River Ranch and our campers.

Roundup River Ranch relies on the Vail Valley community to support our mission in many ways. Over the years, Peak 1 Express has been an incredible partner in support of our programs and events. For our signature event, A Grateful Harvest, they not only provide reliable transportation to camp, but a fun guest experience as well. As A Grateful Harvest sponsor, they are committed to safety and convenience while providing services that allow our sponsors and guests to join us for a magical evening. Without their support, this event would not be possible. Their generous partnership is grounded in a connection to the community and we give them our gratitude for their generous contributions and commitment.

"JVA has been involved in Roundup River Ranch since the earliest days of its planning, including both County and State permitting, and we have worked closely with staff on water and wastewater issues ever since. We are so proud of our involvement with the Roundup River Ranch camp and have seen firsthand the benefit to these kids. It often brings tears of joy to see these kids and their families who have been through so much share a great experience at this awesome place." – Kevin Tone, *President JVA, Inc.*

WE'RE PART OF SOMETHING SERIOUSLY AWESOME.

Roundup River Ranch is proud to be a member of SeriousFun Children's Network. Founded by Paul Newman, this is a growing global community of independently managed and financed camps and programs. We are honored to join forces with this network that spans the world with 30 Members Camps and Partnership Programs serving children in over 50 countries and throughout five continents.

For kids ages 17 and under with serious illnesses (and their awesome families) we offer extraordinary camp experiences and the blissful joy of being an "ordinary" kid. Always free.
