### Please Note:

- Volunteer Orientation starts one day before each camp session.
- Campers with Diagnoses within Lifestyle Medicine (Lipid Disorders, Fatty Liver Disease and Metabolic Syndrome) will be accommodated in appropriate sessions based on review by our Medical Team.
- We can accommodate 1 camper/family with Cystic Fibrosis at each Summer and Family Camp session.
- Sibling applications will be considered based on space available following the initial camper lottery. Please complete an application for each sibling, so that they can be considered if and when sibling slots become available.
