A ROUNDUP OF NEWS & MESSAGES

Introduction from Campaign Co-Chairs

Roundup River Ranch and our community are coming together like a powerful current, electrifying the excitement around our mission. We have wrapped up six incredible Summer Camp sessions, and we are heading into fall with eagerness to serve camper families during the next few months during Family Camp weekends.

We often wish that the communities we serve could experience the magic of Roundup River Ranch. On June 30th we opened our doors and hosted a Community Open House for a day filled with laughter, adventure, and discovery. Sharing our campsite not only allows us to highlight what a camp experience for a child includes, but also paints a vivid picture of what the future of Roundup River Ranch holds.

Thanks to the incredible generosity of donors like you, we have made significant strides towards our Campaign goal. However, we still need to raise an additional \$1.5 million to achieve our capital projects target. Your contributions have played a crucial role in getting us this far, and we are confident that, together, we can bridge this final gap.

Our strategic plans for Campaign completion are well underway, ensuring that we reach a wider audience and garner the support needed. We firmly believe that every dollar raised brings us one step closer to creating lasting change and transforming lives.

We are planning for a Fall groundbreaking for the three cabins. This milestone marks an exciting step forward in our journey. With your help, we aim to complete construction by 2026, providing a safe and welcoming space for our campers and their families.

None of this would be possible without the unwavering commitment of donors like you. Your belief in our mission has allowed us to grow and expand our impact, touching the lives of countless individuals. From the bottom of our hearts, we thank you for your incredible support.

Our goal is to complete the Campaign by Thanksgiving of this year. As we continue this journey, we pledge to remain transparent and accountable. We will keep you updated on the progress of the Campaign and the impact of your donations. Together, we can make a difference and create a better future for all. Once again, thank you for your generosity, dedication, and belief in our mission.

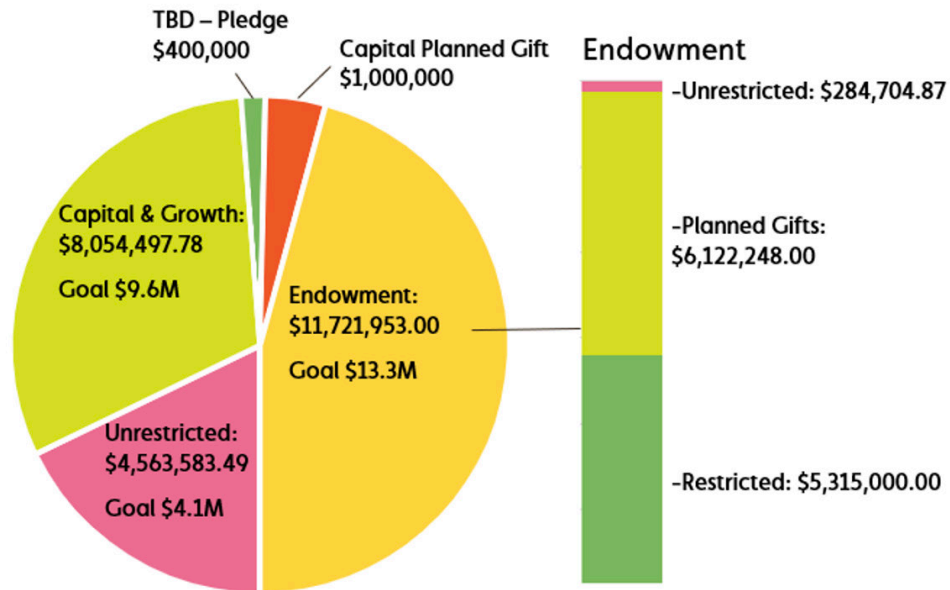

With deepest gratitude,

Kristy and Bill Woolfolk

CAMPAIGN COUNTDOWN

Community Spirit for Our Final Push!

As we approach the end of the Roundup the Possibilities Campaign, we extend our heartfelt thanks to each of you. Our mission continues, and the journey isn't over yet. We've made significant strides, but we still face the critical task of raising an additional \$1.5 million to fully realize our vision for capital campaign projects. Every contribution matters and brings us closer to our goal.

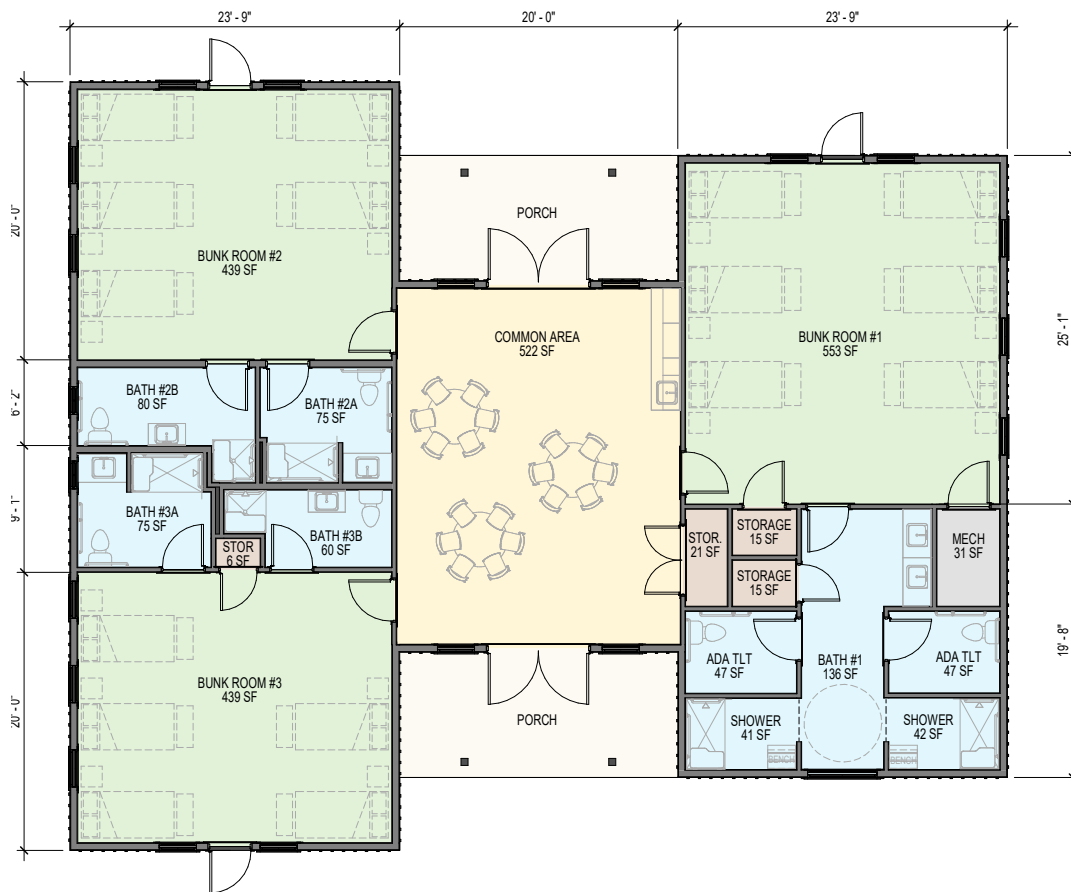

Thanks to the generosity of Pat and Donna Martin, we are excited to announce a challenge gift of \$500,000. This contribution is an incentive to support fundraising efforts by offering an additional \$500,000 donation if our \$1.5 million goal is met by Thanksgiving.

Paving the way

Our Campaign Countdown approach invites our community to join us in this exciting final push to complete the Campaign and help us pave the way to our new cabins. *Our message is simple: Together we can rally our resources and enthusiasm—because every contribution brings us one step closer to a world filled with possibilities!* Everyone has a role to play, regardless of the size of their contribution. Whether it's \$1 or \$3,000, every gift is crucial.

For a contribution of \$3,000, you can sponsor a paver that will not only create a beautiful pathway, but also symbolizes your commitment to making a lasting difference. Our community push for support will help bring these new cabins to life. Join us in this meaningful endeavor and leave a lasting legacy as we pave the way together. **Please share this message with your friends and family, encourage others to join us, and let's show the strength of our community spirit.** Thank you for your support and for believing in the possibilities that lie ahead!

CABIN PROJECT UPDATE

We are thrilled to announce the upcoming construction of three new cabins at Roundup River Ranch, which will further enhance our ability to provide transformative experiences for our campers. The construction plans for these cabins have been meticulously designed to ensure a comfortable and inclusive environment for all.

Each cabin will feature a spacious common area, three bunk rooms, to create a home away from home for our campers. The interiors will be thoughtfully crafted to provide a warm and inviting atmosphere, fostering a sense of belonging and comfort. Additionally, the cabins will be equipped with accessible features, allowing campers with disabilities to fully participate in all activities. MacAllister Construction is serving as the general contractor for this important project.

These new additions to our campsite will expand our capacity to serve more campers and create a sense of community and togetherness. The surrounding grounds will be landscaped to create a serene and peaceful environment, offering ample space for outdoor activities and gatherings. The cabins will be seamlessly integrated into the natural beauty of our camp.

We are grateful to you, our generous donors and supporters who have made this vision a reality. Your unwavering commitment to our mission has allowed us to create an inclusive and inspiring space where children with life-altering diagnoses can experience the magic of camp. These new cabins will serve as a beacon of hope and a testament to the incredible impact that can be achieved when we come together to support a shared vision.

DONOR SPOTLIGHT

The Enduring Legacy of Giving: Bernie & Suzanne Scharf

Bernie and Suzanne Scharf are extraordinary individuals whose unwavering commitment to philanthropy and their deep belief in the transformative power of giving have made a significant impact on Roundup River Ranch.

At a young age, the spirit of philanthropy was ignited within Bernie. Little did he know then how these early experiences of giving back would shape his entire life. Bernie and Suzanne were founding members of the Roundup River Ranch board.

They were one of our first donors to the Roundup the Possibilities Campaign, believing that endowment and bequest fundraising support are key priorities in securing the strategic needs of Roundup River Ranch in both growth and sustainability. Their support has been nothing short of remarkable, including an additional major gift in May 2024 that has propelled us towards the successful completion of the Campaign.

Bernie's inspiration to support Roundup River Ranch stems from his profound understanding of the importance of strategic growth and sustainability. He recognizes that by investing in our organization, he is ensuring the continuation of our mission and paving the way for a brighter future for children facing life-altering diagnoses and their families. The Scharf's have not only contributed generously to the Roundup the Possibilities Campaign but has also played a vital role in helping us reach our fundraising goals from the very beginning.

Their belief in our organization's impact and the transformative experiences we provide for children and their families has been a driving force behind his generous contributions.

We are incredibly grateful for the Scharf's dedication and philanthropic spirit. Their commitment to Roundup River Ranch and support of the Roundup the Possibilities Campaign have been instrumental in propelling us toward success. Bernie's and Suzanne's generosity is a shining example of the profound difference individuals can make in the lives of others. We are honored to have them as partners in our mission to provide life-changing camp experiences for children with serious illnesses, and we are inspired by their unwavering belief in the power of giving.

Through their commitment to making a positive impact, they are a beacon of generosity and compassion.
