Please join us as Roundup River Ranch brings A Taste of Camp to the city!

MAY 14, 2026 AT 6PM
MILE HIGH STATION

2027 W Colfax Ave, Denver, CO 80204

This special evening takes place on Thursday, May 14, 2026 in Denver, featuring a cocktail hour, dinner, and an inspiring program. We hope you will support us in our mission to offer children with life-altering diagnoses, and their families, opportunities to embrace joy, create connection, foster independence, and build hope through free, medically-supported camp programs.

A Taste of Camp is a cheerful evening that brings awareness to Paul Newman's vision and our mission of bringing the joys and friendship of childhood to children living with chronic and life-threatening medical conditions. Our Denver community is at the forefront of our mission. The majority of our campers live on the Front Range and work with doctors, nurses, and specialists from Denver institutions.

We look forward to celebrating the support of the Denver community and ensure that no child or family ever pays a penny to attend a Roundup River Ranch program.

For any questions, please contact Katie Johnson, at kjohnson@roundupriverranch.org
