PLEASE NOTE:

- **For a list of common diagnoses served for each session, visit RoundupRiverRanch.org.**
- **Campers that require highly specialized care and/or monitoring will be directed to the most appropriate session based on diagnosis expertise and resources available.
- We can host 1 camper/family with cystic fibrosis per session.
- Sibling applications for Summer Camp are considered based on space in sessions 1-6. Please submit an application for each sibling to be considered after first-round acceptances. Families who want to come together with siblings are encouraged to apply for session 7.
- Volunteer orientation will begin the day before each Summer Camp session starts.
